

General Records Schedule

Wisconsin's Public Libraries and Public Library Systems and Related Records

Approved by the Public Records Board:

June 12, 2017

Expiration: June 12, 2027

For use by all units of Wisconsin Government at the State, County, and Municipal level

I. Scope

This schedule governs the records retention obligations of state agencies pursuant to [Wis. Stat. § 16.61](#), and applies to “public records” as defined in [Wis. Stat. § 16.61\(2\)\(b\)](#). These “public records” are referred to as “records” in this schedule.

This schedule covers records which most state agencies, including the University of Wisconsin System Administration, the University of Wisconsin Institutions, all Wisconsin counties, municipalities and other units of local government create and use in the operation of public libraries and public library systems. The schedule is applicable to all records regardless of format or media.

This general schedule may *not* include records which are unique to the mission of a single government unit. Records that are unique to the mission of a specific government unit require a separate Records Disposition Authorization (RDA). The department or institution is responsible for creating a RDA that must be submitted to, and approved by, the [Public Records Board \(PRB\)](#).

See the [Introduction to General Records Schedules](#) for additional information about how to use this schedule. In particular please review the restrictions on conditions that might preclude the authorized destruction of documents in the normal course of business including open records requests, ongoing legal holds, or audits currently underway or known to be planned.

This schedule goes into effect upon final approval by the Public Records Board.

Historical Records – Notification to State Historical Society

To adopt this General Records Schedule, complete and submit form PRB-002, [Notification of General Records Schedule Adoption](#). If a library adopts the schedule, the Notification of Adoption Form provides a "blanket" waiver of the 60-day notice to the Historical Society in compliance with [Wis. Stat. § 19.21](#). Unless the Historical Society informs the library otherwise, the library may begin record destruction upon acknowledgment of receipt of the form from the Historical Society.

Notice to the State Historical Society is required for any record not listed in this schedule.

II. Records Format

Records covered in this schedule may be in paper, electronic, or other formats. Electronic format examples include those created or transmitted via e-mail, data contained in database systems, and tapes/cartridges. To safeguard the information contained in records maintained *exclusively* in electronic format, agencies must meet the standards and requirements for the management of electronic records outlined in [Wis. Admin. Code ch. Admin 12](#).

III. Personally Identifiable Information

Wisconsin law requires authorities to specifically identify certain record series within a general records schedule that contain Personally Identifiable Information (PII). [Wisconsin Stat. § 19.62\(5\)](#) defines PII broadly as “information that can be associated with a particular individual through one or more identifiers or other information or circumstances.” Despite this broad definition, [Wis. Stat. § 16.61\(3\)\(u\)\(2\)](#), requires that record series within a schedule containing the following types of PII need not be identified as such: a) the results of certain computer matching programs; b) mailing lists; c) telephone or e-mail directories; d) record series pertaining exclusively to agency employees; and e) record series that contains PII incidental to the primary purpose for which the records series was created, and f) those relating to state agency procurement or budgeting. If in doubt as to whether a specific record series contains PII, check with your agency legal counsel.

Information about identity theft and information security is available at <http://itsecurity.wi.gov/>.

IV. Confidentiality of Records

Most records are not confidential and are open to public disclosure, however, there are exceptions. This GRS will identify any record series that may contain information required by law to be kept confidential or specifically required to be protected from public access, identifying the state or federal statute, administrative rule, or other legal authority that so requires. If in doubt as to whether or not a specific record, or content in that record, is confidential, check with your agency legal counsel. A record series should be identified as confidential even if not all records in the series contain confidential information and not all parts of records covered by the series are confidential.

V. Superseded Record Series

“Superseded” means that a new record series or RDA number has been used to cover records that were previously identified differently. The last column in the following GRS table titled “Previous RDA Number (if applicable)” provides a cross walk between new and any superseded RDA numbers. When revising a GRS, an attempt is made to retain the previous RDA number, providing the underlying records remain the same.

VI. Related Records

The “Related Records Series” section provides information on other record series in approved GRSs which may relate to the broader functional area of this GRS. These record series are listed to facilitate a more complete understanding of all the record series within the broad scope of this function of government. It may not however contain a complete listing of all records series used within your agency for these types of business records. See the “Related Records Series” section included in this document.

VII. Closed Record Series

When revising a GRS it is common for some previously included record series to be closed. The “Closed Series” section lists series containing records that are no longer created, nor are they expected to be in the future. See the “Closed Series” section included in this document.
